Relocation of Cherry Field (Senior High Accommodation)

# June 1

#### Program

There will be 30-34 students working with a staff of two teachers and an instructional aide.

Each student consults with staff and develops a personalized course of study.

In the course of each day, students will meet individually and in various size groups.

#### Site needs

Space for 30-34 students which allows for both individual areas and for group discussion areas.

Field space around the site to allow for physical activities.

Centrally located and close to public transportation lines.
(Students utilize community resources in the central city area)

Removed from other school sites.

Removed from other "distractors" ...heavy business, high populations, etc.
